NETPDTC INSTRUCTION 12351.1A

Subj: COMPETITIVE AREA FOR REDUCTION-IN-FORCE (RIF)

Ref: (a) FPM SUPPLEMENTAL 351-1, Paragraph S3-2

1. Purpose. To define competitive area(s) within which Civil Service employees of the Naval Education and Training Professional Development and Technology Center (NETPDTC) will be in competition with each other should a reduction-in-force action be necessary.

2. Cancellation. NETPDTCINST 12351.1

3. Revision. Since this is a major revision, marginal notations are not annotated. This instruction should be read in its entirety.

4. Definitions

a. Pensacola Naval Complex. The Pensacola Naval Complex includes Naval Air Station (NAS), Pensacola; Naval Technical Training Center, Corry Station; NETPDTC, Saufley Field; and NAS Whiting Field.

b. Commuting Area. There is no OPM mileage standard to determine a local commuting area. For the purposes of this instruction, a local commuting area will include the area in which employees live and reasonably travel back and forth to work.

5. Competitive Area(s) Per reference (a) the following competitive areas are established effective the date of this instruction:

a. NETPDTC Pensacola is a separate competitive area for RIF. This competitive area includes all NETPDTC personnel located within the Pensacola Naval Complex.

b. The location of NETPDTC detachments units offices, or sites outside the Pensacola Complex are each separate competitive areas. Each separate competitive area includes all personnel of NETPDTC detachments, units, offices, or sites
